

# **Admission Eligibility Criteria**

## **1. Department of Mechanical Engineering**

- M.Sc. Automotive Engineering

### **Eligibility:**

- B.Sc. Mechanical Engineering
- Industrial and Manufacturing Engineering
- Automotive Engineering
- Mechatronics and Control Engineering

## **2. Department of Mechanical Engineering (KSK Campus)**

- M.Sc. Thermo- fluid Engineering

### **Eligibility:**

- B.Sc. Mechanical Engineering

## **3. Department of Chemistry**

- M.Phil Food Science and Technology

**Eligibility:** 16 years' degree in either of the following:

- Food Science and Technology
- Chemistry, Biochemistry or Agricultural Chemistry
- Biotechnology

## **4. Department of Polymer and Process Engineering**

- M.S. Polymer Science and Technology

**Eligibility:** 16 years' degree in either of the following:

- Chemistry or Applied Chemistry
- Physics and Applied Physics
- Chemical Engineering
- Chemical Engineering Technology
- Polymer Engineering
- Mechanical Engineering
- Materials Science and Engineering
