

# University of Engineering & Technology Lahore

• QS Asian University Ranking 179  
• QS Engineering & Technology Ranking (World) 236

## UNDERGRADUATE ADMISSIONS FALL 2024

### QS RANKINGS:

• PETROLEUM ENGINEERING	101-150
• ELECTRICAL ENGINEERING	201-250
• MECHANICAL ENGINEERING	251-300
• CHEMICAL ENGINEERING	251-400
• COMPUTER SCIENCE	401-450
• MATHEMATICS	501-550
• BUSINESS & MANAGEMENT	601-620
• PHYSICS	601-640

- The undergraduate admission process starts on **Tuesday, June 11, 2024** and continues until **Tuesday, July 09, 2024**.
- Candidates, with the following subject combinations, in their Intermediate/Equivalent examination, are eligible to apply in various undergraduate programs offered by UET Lahore – see the Table below. For programs accredited by respective councils, i.e., Pakistan Engineering Council (**PEC**), National Computing Education Accreditation Council (**NCEAC**) and Pakistan Council for Architects and Town Planners (**PCATP**), the candidate should have appeared in the Entrance Test (ECAT) conducted by UET Lahore in 2024. There is **NO** passing threshold for **any** program and the best score in ECAT, if the candidate has taken it more than once, will be used while determining the merit.

Subject Combinations	Programs Accredited by			NO ECAT REQUIRED	
	PEC	NCEAC	PCATP	N&MS	EE&F
Mathematics, Physics, Chemistry	All	All	All	All	All
Mathematics, Physics, Computer Science	All	All	All	All except Chemistry	Only ESM
Biology, Physics, Chemistry	Only BME	All	None	All except Mathematics	All
Mathematics, Physics, Statistics	None	None	All	All except Chemistry	Only ESM
Subject combinations other than the above	None	None	None	Only BBA and BBIT	None

- **PEC:** Architectural Engineering, Automotive Engineering, Biomedical Engineering (BME), Chemical Engineering, Civil Engineering (CE), Computer Engineering (CmpE), Electrical Engineering (EE), Environmental Engineering, Geological Engineering (GE), Industrial & Manufacturing Engineering, Mechanical Engineering (ME), Mechatronics & Control Engineering (MCT), Metallurgical & Materials Engineering (MME), Mining Engineering (MiE), Petroleum & Gas Engineering, Polymer Engineering (PE), Textile Engineering and Transportation Engineering (TE)
  - **NCEAC:** Computer Science (CS) and Software Engineering
  - **PCATP:** Architecture, City and Regional Planning
  - **Natural and Management Sciences (N&MS):** Business Administration (BBA), Business Information Technology (BBIT), Chemistry, Mathematics and Physics
  - **Energy, Environment and Food (EE&F):** Energy Systems Management (ESM), Environmental Science and Food Science & Technology (FST)
- An applicant can apply in at most three groups, i.e., **Group-1:** Programs accredited by PEC, **Group-2:** Programs accredited by NCEAC, PCATP and Product and Industrial Design (PID), **Group-3:** Programs under Natural & Management Sciences and Energy, Environment and Food.
  - For online submission of applications, if you are only applying in one of the three Groups, see point-3 above, then kindly purchase an online token of **Rs.2,500/-** by visiting our admission portal, **<https://admission.uet.edu.pk>**. For each additional group, applicants need to pay an extra **Rs.500/-**. For example, if the applicant has appeared in the ECAT and is interested in applying in programs covered under **Group-1** then he needs to pay only **Rs.2,500/-**. However, if he wants to apply in programs covered under **Group-2** too then he needs to pay Rs.500/- extra. However, if he wants to apply in programs covered under all groups, i.e., **Group-1, 2 and 3** then he needs to pay total Rs.3,500/-. The instructions for purchasing an online token are available on the portal.
  - Students admitted under Category-A1 in Architecture (NWL), BME (NWL), Chemistry (LHR & KSK), CE (NWL), EE (NWL), ESM (KSK), FST (KSK), GE, Mathematics, ME (NWL), MiE, MME, PE, Physics, PID and TE will get a 25% waiver in tuition fee.
  - If the students of CmpE, CS, EE, ME and MCT, after their first year at UET, meet the academic requirements then they have the option to pursue their undergraduate degree at Technical University of Applied Sciences, Wurzburg-Schweinfurt, Germany. Kindly note that UET will bear no financial liability during this exchange program.
  - Applicants are encouraged to visit the admission portal to download a copy of the undergraduate prospectus.
  - Admission token once purchased can't be refunded at any stage whether utilized or not.
  - Open Day at UET is on June 13, 2024.** Applicants/ parents are encouraged to visit UET for guidance.
