

DEGREE PROGRAMS OFFERED
AT UNIVERSITY OF ENGINEERING AND TECHNOLOGY LAHORE
AND ITS CONSTITUENT CAMPUSES AND CONSTITUENT COLLEGE

| | |
|--|--|
| <p>1. Degree Programs at Main Campus</p> <p>i. Bachelor of Science (B.Sc.) degree is offered in the following disciplines:</p> <ul style="list-style-type: none"> a) Architectural Engineering b) Automotive Engineering c) Chemical Engineering d) Civil Engineering e) City and Regional Planning f) Computer Engineering g) Computer Science h) Electrical Engineering i) Environmental Engineering j) Geological Engineering k) Industrial and Manufacturing Engineering l) Mechanical Engineering m) Mechatronics and Control Engineering n) Metallurgical and Materials Engineering o) Mining Engineering p) Petroleum and Gas Engineering q) Polymer Engineering r) Transportation Engineering <p>ii. Bachelor's Degree is offered in the following disciplines:</p> <ul style="list-style-type: none"> a) Architecture b) Business Administration c) Business Information Technology d) Product and Industrial Design <p>iii. Bachelor of Science (B.S.) Degree is offered in the following disciplines:</p> <ul style="list-style-type: none"> a) Chemistry b) Mathematics c) Physics | <p>2. Degree Programs at New Campus Kala Shah Kaku (KSK)</p> <p>Bachelor of Science (B.Sc.) degree is offered in the following disciplines:</p> <ul style="list-style-type: none"> a) Biomedical Engineering b) Computer Science c) Chemical Engineering d) Electrical Engineering e) Mechanical Engineering <p>3. Degree Programs at Faisalabad Campus</p> <p>Bachelor of Science (B.Sc.) degree is offered in the following disciplines:</p> <ul style="list-style-type: none"> a) Electrical Engineering b) Mechatronics & Control Engineering c) Chemical Engineering d) Textile Engineering <p>4. Degree Programs at Rachna College of Engineering & Technology Gujranwala</p> <p>Bachelor of Science (B.Sc.) degree is offered in the following disciplines:</p> <ul style="list-style-type: none"> a) Electrical Engineering b) Mechanical Engineering c) Industrial & Manufacturing Engineering d) Computer Science <p>5. Degree Programs at Narowal Campus</p> <p>Bachelor of Science (B.Sc.) degree is offered in the following disciplines:</p> <ul style="list-style-type: none"> a) Biomedical Engineering b) Electrical Engineering c) Mechanical Engineering d) Civil Engineering e) Computer Science |
