

UNIVERSITY OF ENGINEERING AND TECHNOLOGY, LAHORE
OFFICE OF THE CONVENER ADMISSIONS COMMITTEE

Dated: 16-11-2021

Subject: **PREFERENCE CHANGE POLICY FOR ADMITTED STUDENTS OF SESSION 2021**
(BSc ENGG, B.Sc SCIENCES PROGRAMS)

The following procedure has been devised for students of newly admitted class of 2021, excluding BBA/BBIT students, to accommodate preference change to disciplines having lesser merit than their own merit position.

Procedure

1. A link would be available on the admission portal *admission.uet.edu.pk* from 9:00 am on 19th November 2021 until 12:00 noon on 20th November 2021 permitting login, using entry test roll number, date of birth and CNIC numbers of self and father, to ADMITTED CANDIDATES ONLY.
2. Students of 4th Merit List would also be eligible to avail this facility after depositing their dues and documents.
3. Students desirous of shifting to a lower preference or to a preference not mentioned on their application can give a choice of a maximum of TWO disciplines from the list visible in the menu. The visible list will include only those disciplines whose minimum merit is less than the aggregate of the candidate.

Seat Allocation Procedure

1. It is emphasized that NO UP-GRADATION would be done, and MINIMUM MERITS WOULD NOT BE DISTURBED.
2. They will be allotted disciplines on merit depending upon availability of seats in their preferences of choice. Candidates who could not be accommodated into their desired preference would be retained in their original discipline.
3. A revised discipline allocation will be visible to students on their logins on 20th November, 2021.

CLOSURE OF ADMISSION

- Admission process would be closed on 22nd November 2021.
- Any department specific merit list generated after 22nd November 2021 would be on demand from the respective departments only and it will be put on UET admission portal and the Notice Board.
